EDUCATION

Degree/Grade	Institution	Score
B.Tech (E.C)	Prestige institute of engineering management research (Indore)	7.7/10.00
Senior Secondary	M.P.V.N H/S School	68/100
Higher Secondary	M.P.V.N H/S School	70/100

INTERNSHIP

- Worked as an intern in UNITECH (indore). I Learnt iot and circuit simulation technology.

CERTIFICATION

- Completed BASIC course OF web designing .
- Certified course from coursera in PYTHON.
- Completed course on ARDUINO BY IBM.
- Completed BASIC course on Circuit Simulation .
- Certified course by oracle in “Basic of javascript”.

PROJECTS

Major Project— *Face Mask Detection System Using RPI.*

In this project created a Hardware model for face mask detection Based on raspberry pi. This project works very well with Accuracy of 92%.

Minor Project —*Home Automation System Using ARDUINO.*

In this project We are created a multifunction Model . These model is based on arduino .we automate all the home appliance by thies model.Is work with the accuracy of96%.

Web Project — I maked various project on HTML/CSS AND javascript also with reactJS

SKILLS

- HTML
- CSS
- JS
- React JS
- Technical skills
- Business Management (5 y exp)
- Communication skills
- Leadership skills
- Time management
- Basic computer knowledge
- MS office.

LANGUAGES

English,Hindi
